3. Final Inventory Location (ledger)

Inventory line	Location / Custody (offchain asset location)	Unit cost	Total
Stand-Up Pouch Kraft w/Zip 10x15cm (per unit) - Brazil	Paloma	100	100
Bluetooth Label Printer w/20 Label Rolls - Brazil	Paloma	1	1

Both new inventory lines were recorded with Fund Handler / location **Paloma** on the TrueSight DAO Main Ledger ("offchain asset location" tab).

Note: cost/value columns on the ledger rows were recorded by the ingestion pipeline as shown above (amount 1 / unit cost 100 for pouches; 1 / 1 for printer). The USD contribution rows (–13.01 / –58.07) are the authoritative spend figures. A correction to the asset-receipt cost mapping has been flagged for follow-up.
