

5 Continent — Quote vs Invoice (CORRECTED v2)

Correction notice. The v1 reconciliation mis-split four lines because it read only the *text layer* of the quote PDF. The quote's actual rate table is an **embedded image on page 2 (916x628 px)** that the text extractor never saw — the page even renders as "Error! Filename not specified." The cross-check that caught this was run independently from the raw quote + invoice by a second agent, and it is confirmed correct. Every figure below was re-read by OCR of that embedded image.

The quote's real rate table (recovered from the embedded image)

Quote line	Rate (USD)
Inland in Brazil	837.00
Airport charges BRA	250.00 minimum
Airline charges BRA	95.00
Air Freight (+300 kgs)	1,118.60
Airline charges USA	200.00
Handling Fee USA	125.00
Delivery to the door (3 pallets)	885.00
Quoted freight total	3,510.60

Customs terms: US Customs Clearance 150.00 | FDA 100.00 | Duties At Cost | MPF 0.3464% (33.58 min / 651.50 max) | Bond 6.00/1,000 (\$100 min) | invoice lines 1st 3 free, 5.00/line after | exam handling 125.00 per exam.

Corrected line-by-line: Quoted | Actual | Verdict

Line item	Quoted	Actual	Verdict
Inland Freight in Brazil	837.00	1,012.17	OVERAGE (+175.17)
Airline Terminal Fee - Brazil SSA	345.00 (= 250 + 95)	345.00	MATCH (bundled)
Palletizing	-	65.00	UNQUOTED
Storage - SSA + Saturday	-	112.19	UNQUOTED
Clearance - Export Customs BRA + SDA	- (agreed w/ Omega)	414.59	UNQUOTED / possible DUPLICATE
Air Freight Charges	1,118.60 (+300 kgs)	1,241.00	OVERAGE (+122.40)
Airline Terminal Fee USA	200.00	200.00	MATCH
Air Freight Handling	125.00 (Handling Fee USA)	125.00	MATCH
Inland Freight (US)	885.00 (Delivery to door)	885.00	MATCH

5 Continent — Quote vs Invoice (CORRECTED v2)

Line item	Quoted	Actual	Verdict
Customs Clearance USA	150.00	150.00	MATCH
Additional Invoice Lines	1st 3 free, 5.00/line	40.00	MATCH (quoted policy)
FDA Filing	100.00	100.00	MATCH
Customs Duties	At cost	128.53	MATCH (at cost)
Duty Advance Fee	-	12.85	UNQUOTED
Bank Fees	-	35.00	UNQUOTED
TOTAL		4,866.33	

The three buckets (reconcile to the cent)

Bucket	Amount	Composition
MATCH - quoted & billed exactly	1,973.53	150 + 100 + 128.53 + 200 + 345 + 125 + 885 + 40
OVERAGE - quoted line billed above rate	2,253.17 as billed	Inland Brazil 1,012.17 (vs 837) + Air freight 1,241.00 (vs 1,118.60)
UNQUOTED - no quote rate at all	639.63	Palletizing 65 + Storage 112.19 + Export clearance 414.59 + Duty advance 12.85 + Bank 35
TOTAL	4,866.33	reconciles ✓

Overage *above quote* within the 2,253.17 as-billed bucket = **+297.57** (175.17 + 122.40).

> The second agent framed it slightly differently: it put the 40.00 additional-invoice-lines in UNQUOTED (as "policy-consistent") giving MATCH 1,933.53 and UNQUOTED 679.63. Both reconcile to 4,866.33; the 40.00 is the only difference and it is quoted-policy-consistent either way.

The three issues to raise with 5 Continent

- Export clearance 414.59 - ask Matheus/Omega BEFORE disputing.** The quote says clearance "was agreed directly with Omega," so 5CL's quote did NOT include it. If Omega was already paid, this line is a **straight duplicate** - which changes the ask from "please itemize" to "please remove, already paid."
- Two overages on quoted freight** - Inland Brazil billed 1,012.17 vs quoted 837.00 (+175.17); Air Freight billed 1,241.00 vs quoted flat +300 kgs rate 1,118.60 (+122.40). Ask them to re-bill at the quoted rates. **+297.57.**
- Air freight has a THIRD figure.** Quote table 1,118.60 (flat +300 kgs) vs air waybill ~802.70 (349 kg x 2.30, per the runbook) vs invoice 1,241.00 (365 kg x 3.40). Reconcile all three to one chargeable basis. (The AWB figure comes from the runbook, not a document re-pulled here - verify against the AWB itself.)

Honest correction: what v1 got WRONG

Line	v1 said	Correct
Airline Terminal Fee BRA 345.00	EXTRA	MATCH (= quote 250 + 95)
Airline Terminal Fee USA 200.00	EXTRA	MATCH (= quote 200)
Air Freight Handling 125.00	VERIFY	MATCH (= Handling Fee USA, the flat one)
Inland Freight US 885.00	EXTRA	MATCH (= Delivery to door 885)

v1's headline "88.8% charged as extra" was **overstated**. Corrected: **~40%** of the bill (1,973.53) matches the quote exactly; **~298** is overage on two quoted freight lines; **~640** is wholly unquoted. Root cause: v1 read only the quote PDF's *text layer* and missed the embedded rate-table image.

Still open

- **Bond & MPF** have quoted formulas but no distinct invoice line - possibly bundled into "Customs Duties 128.53." Ask 5CL to break them out.
- **Handling Fee USA 125.00** now MATCH - but the quote has a *separate* conditional "125.00 per exam." Confirm no exam fee is also embedded.
- **Beneficiary mismatch** - header "5 Continent Logistics LLC" vs pay block "5 Continent Alliance." Verify same entity before any wire.
- **Trading-company fee (16% + ~4.2%)** - quote premise was "no trading company." Confirm none embedded.
- **Spec drift** - quote 3 pallets / 329 kgs; as-shipped 2 pallets / 349 kg.

Money rule

Pay-to routing (TD Bank NA, acct 9246418811) is a money move - no payment without an explicit governor command.
